**Selling Out;** Quitting Furniture business in  
Lancaster for ever and ever.

All past sales fade away in comparison with this marvelous epoch-making  
opportunitii! Bring to mind the greatest Furniture Bargains you have  
ever seen or heard of and then multiply them four to five times! That's  
the extent, the all important meaning of F. G. Hurt's amazingly sensatio-  
al Last Stand and Never to be Forgotten. Farewell! In  
the name of your own best interests. Don't think this announcement to  
good to be true. Don't think that our boiling enthusiasm has lead us to  
paint this word picture in over lurid colors. Be wise enough to  
see with your own eyes. See for yourself if brand new Furni-  
ture, Carpets and Rugs are not marked at LESS MONEY than the  
Junk dealer has paid you for Ash Heap Cast Offs! See for yourself if we  
are not offering you live up to-date Furniture for less money than lumber  
yards would charge for bare wood, and Carpets and Rugs for less  
than the ragman pays for Rag Carpet Materials! For the same reason be-  
hind this seemingly frenzied madness, look at the proposition through my  
eyes! I positively must be sold out, building absolutely vacated in 9 days  
from Thursday, December 15th Nine days of grace and \$10,000  
worth of goods to be disposed of. That's my appalling predic-  
ament. That's why I cast all precedents to the wind and butcher prices as  
they were never butchered before. I am not thinking of the gnashing of  
teeth and bitter wailing this sale-sensation will cause among competitors,  
because of the terrible jolt it may give their business. No, I am figuring  
an doing a six-months business in 9 days. Everything must go nothing re-  
served. Horse, Wagon, Harness, and office fixtures for sale. Don't put it  
off but come to-morrow.

\$10,000 stock of Furniture,  
Carpets, Rugs, Mattings and ev-  
erything in connection with the  
business to be hurled out in 9  
short days. Stop everything else  
and come.

### Pianos.
